

Diabolic "Treacherous Scriptures"

Visit "[Treacherous Scriptures](#)" on MotoLyrics.com

Insacred
Dark forces
assault the holy deceit
Awaken
New age enlightens
the cycle complete

False prophets
Empty predictions
Treacherous scriptures
Hollow salvation

Crippling their diseased minds
Deliberate attempt to divert
betrayed by horrid ideals
Prepare for imminent defeat

Insacred belief within
dark forces echoes below
Awaken demons resurrect
Demonic hate perceives

False prophets
Empty predictions
Treacherous scriptures
Hollow salvation
