No compromise in my eyes, ain't no love in my heart

'Bout to kick da dust off, its takin too long to start

You won' ball wit me nigga, i'll knock your dick in da

I feel like i'm violated and i'm sorry it won't work

It makes no difference if its nigga or bitch, a-body

Fuck 5-0, I don't get along wit cops

[Chorus x4]

[Chorus 2]

[Kane]

When it comes time to ride, they take over

Busta outta line, knock da head off they shoulders

I don't wanna talk about peace
Fuck dat, i'm about to lay ya flat wit ya head attached
Ya bout dat, i'm bout dat

Dem knock-out artists dat'll put ya to sleep
And while a-body talkin bout pushin da peace
I'm tryin to figure why da fuck this nigga lookin at me
This nigga just don't know dat i'm heavily armed, and

You could never be calm,
