Your god is dead  
You were never saved  
Just cleverly trapped  
Your god is dead  
There's no heaven and hell  
Your priests are deceiving you  
Your god is dead  
Your divine holy bible  
Is a book filled with lies  
Your god is dead  
Your world is an illusion  
Your church fornicates you  
Your god is dead  
The only use of your cross  
Is when it's nailed on your coffins  
Your god is dead  
He died the day  
Holy ghost raped your virgin  
Your god is dead  
You are drown in misery  
And you damn love it  
Your god is dead  
We killed him!  
Your god is dead  
And satan feasts upon his corpse
