This is B  
First Class You Know  
This is B here... oh oh oh yeah...

Nobody knows this but me  
All I could see was someone  
Who didn't love me for me  
How could I have been so dumb  
I tried to act like I knew  
You never cared from the start  
I gave you problems cos I  
Knew that you gave me your heart

My baby my my baby  
I wanna come back home  
My baby my my baby  
Back to those open arms  
I'm everything you want  
Lord knows I'm everything you need  
I'll be those promises  
That you always said to me

If I told you I need you  
I'm saying that I need you now  
Saying I need you now  
If I never told you I'm sorry  
I'm saying that I'm sorry now  
Saying I'm sorry now

And now I'm all alone  
My friends don't understand  
Said you can't have a good life  
If you can't keep a good man  
I was a fool back then  
I tried to be miss strong  
I let you go when you  
Didn't do a damn thing wrong  
My baby my my baby  
I wanna come back home  
My baby my my baby  
Back to those open arms  
I'm everything you want

Lord knows I'm everything you need  
I'll be those promises  
That you always said to me

If I told you I need you  
I'm saying that I need you now  
Saying I need you now  
If I never told you I'm sorry  
I'm saying that I'm sorry now  
Saying I'm sorry now

(Why? Why? Why did I let you go?)  
Deep down you know you know I'm sorry  
(Why? Why? Why did I let you go?)  
Deep down you know you know I'm sorry

My baby my my baby  
I wanna come back home  
My baby my my baby  
Back to those open arms  
I'm everything you want  
Lord knows I'm everything you need  
I'll be those promises  
That you always said to me

Repeat Chorus
