Everybody's so full of shit (everybody, everybody  
everybody)

There's going to be people turning up in canyons,  
there's going to be people being shot, because the  
police there don't realize what i think they know that i  
didn't do these things

camera got them images  
camera got them all  
nothing's shocking...  
showed me everybody  
naked and disfigured  
nothing's shocking...  
and then he came  
now sister's not a virgin anymore  
her sex is violent...

the t.v.'s go them images  
t.v.'s got them all  
it's not shocking!  
every half an hour  
someone's captured and  
the cop just moves them along...  
it's just like the show before  
now the news is  
just another show  
with sex and violence..

sex is violent  
sex is violent  
sex is violent  
sex is violent  
sex is violent  
sex is violent  
sex is violent

i am the killer of people  
you look like a meatball  
i'll throw away your toothpick  
and ask for your giveness

because of this thing  
because of this thing  
because of this thing

that's in me  
is it not in you?  
is it not your problem?

a baby to a mother...

you talk too much  
to your scapegoat

that's what i say  
he tells you everyone is stupid  
that's what he thinks!

snapshots  
make a girl look cheap  
like a tongue extended  
a baby's to a mother

sex is violent  
sex is violent  
sex is violent  
sex is violent
