Lightning shoots through the sky  
I stay and watch and don't know why  
Trembling through the woods one August night  
Wind rushing through the trees  
A beautiful symphony  
The beating of my heart exhilarating me

Rain pouring down  
Kissing my skin  
Letting the moment sink in  
Adrenaline rush keeping me warm  
Dancing to the rhythm of the storm

Oh, my senses they're coming alive  
Take the ride  
Take the ride, yeah  
Oh, like fire blazing in the sky  
Don't let it pass you by  
Pass you by  
Just for one day I will live  
With all that life has to give  
Seize the day

Jagged rocks all around  
A thundering, whisper sound  
Salty wind is flirting with my hair  
Waves crashing over me  
Magnificent tapestry  
It's brilliance takes the breath away from me

Like the first time he held my hand  
Or when the sunshine warms the sand  
My spirit awakes weightless and free  
This magic illuminating me

Oh, my senses they're coming alive  
Take the ride,  
Take the ride, yeah  
Oh, like fire blazing in the sky  
Don't let it pass you by  
Pass you by  
Just for one day I will live

With all that life has to give  
Seize the day

I feel alive  
Running through a field of grass  
Under a million stars  
Sense of adventure in my blood  
Open your eyes  
Let your heart ache  
Allow yourself to feel  
Don't be afraid to take chances

This is the perfect day  
Oh, this is the only way  
I wanna live

My senses, they're coming alive  
Take the ride,  
Take the ride, yeah  
Oh, like fire blazing in the sky  
Don't let it pass you by, pass you by

My senses, they are alive  
Take the ride  
Take the ride, yeah  
Oh, like fire blazing in the sky  
Don't let it pass you by  
Pass you by, yeah  
Just for one day I will live  
With all that life has to give

Seize the day
