"Spinnin' Around"

Visit "[Spinnin' Around](#)" on MotoLyrics.com

La la la, la la la la la la
La la la, la la la la la
La la la, la la la la la la
Spinnin' around and around and around

I see myself standing in the mirror
The image of my life is still unclear, yeah
This way,
That way,
Going all directions
Gotta find the one who's got all the connections
I tried so hard to run
I tried so hard to hide
But I couldn't fight that feeling that was deep down
inside

I don't even know all the reasons
Baby, if I keep searching I'll know why
I'm gonna fight it through the stormy season
I'm gonna break it,
Someday I will fly

I'm spinnin' around and around and around
Trying to keep my head on the ground
It's coming so clear,
I don't know what to do
I just can't quite explain
Like when the moon lights up the darkness,
Or when the deserts feel the rain
I'm spinnin' around and around and around and
around, yeah (yeah)
I'm spinnin' around and around and around and
around, yeah (yeah)

I'm just a girl searching for the answer
Like my pirate ships' put up the anchor
Can you,
Will you,
Come my way?
I need you now let's run away
That's the me I've got (I've got)
I'm gonna put you on the spot (On the spot)

I need to know that I can bring a revelation
Know that I exceed your expectations

I don't even know all the reasons
Baby, if I keep searching I'll know why (I don't know)
I'm gonna fight it through the stormy season
I'm gonna break it
Now I'm gonna fly

Spinnin' around and around and around
Trying to keep my head on the ground
It's coming so clear,
I don't know what to do
I just can't quite explain (No, no)
Like when the moon lights up the darkness,
Or when the deserts feel the rain
I'm spinnin' around and around and around and
around
Trying to keep my head on the ground
It's coming so clear,
I don't know what to do
I just can't quite explain
Like when the moon lights up the darkness
Or when the deserts feel the rain

La la la la, la la la, la la la la la
La la la la, la la la, la la la la
La la la la, la la la, la la la la la
Spinnin' around and around (haha)

I'm spinnin' around and 'round and 'round
Trying to keep my head on the ground
It's coming so clear,
I don't know what to do
I just can't quite explain...

Like when the moon lights up the darkness
Or when the deserts feel the rain
Spinnin' 'round and 'round and 'round and 'round
Trying to keep our heads on the ground
It's coming so clear,
Now we know what to do
We still can't explain
Like when the moon lights up the darkness
Or when the deserts feel the rain
We're spinnin' around!
