Now this ain't (?), It's just a little magic city  
And up in here we bring honey dubs and even fiftys  
Go ask P. Diddy, they're know for giving goose bumps  
Rocking stiletto pumps, all that ass up in that trunk.

Sliding up and down the poles, money is the main  
agenda  
She got them kids to feed. She gotta pay that tuition  
Go grab a seat baby we don't do no intermissions  
It's strictly pimpin'. Everybody about it  
It ain't tricking if you got it since you looking at her  
body.  
You might as well through a dollar cause Lil' buddy

Got you sitting front and center in the middle of  
December.  
It's a night to remember.

For ten dollars she gon dance for me  
(you know I got you baby)  
Dance for me  
(I said I got you baby)  
Dance for me (they'll play my song and she'll)  
Dance for me all night

She gon dance for me  
(you know I got you baby)  
She gon dance for me  
(I said I got you baby)
