(Chorus)

I just told my ex I gotta boyfriend
My man told his ex that I'm his girlfriend
And now she wanna fight me, wanna fight me, wanna
fight me
Now she wanna fight me, now she wanna fight me,
wanna fight me, wanna fight me, now she wanna fight
me

(Verse 1)

Liar, liar you need to work for higher
I just got a new man, your pimp card is expired
I'm trashin all his clothes
Snatched it out the drier looked for me a lighter and
then I set that shit on fire (Ok)(???)Im slashing out his
tires. I bust the windows out his car, I bet this will
remind him. The next girl that he meets, he'll tell her all
bout me. He'll tell her horror stories, I bet he wont go
cheat.

(Chorus)

I just told my ex I gotta boyfriend
My man told his ex that I'm his girlfriend
And now she wanna fight me, wanna fight me, wanna
fight me
Now she wanna fight me, now she wanna fight me,
wanna fight me, wanna fight me, now she wanna fight
me

(Verse 2)

Now its week two and I'm crusin wit my new boo.We
rollin in the boogauti, not the benz so I can show you.
You lookin like a lame, standin on the side-lines. Im the
main attraction while your watchin me like half time.
And your new chick, i see here right there muggin. But
she dont wanna look, cause really its nothin. See you
my ex, thats something in my past. Im chillin wit my
new boo, we laughin at yo ass!

(Chorus)

I just told my ex I gotta boyfriend

My man told his ex that I'm his girlfriend
And now she wanna fight me, wanna fight me, wanna
fight me
Now she wanna fight me, now she wanna fight me,
wanna fight me, wanna fight me, now she wanna fight
me

(Verse 3)

Hello? Hold on boo, calm your tone. What you need?
You called my phone. What you mean am i alone? He

you blew it. Played around, girl your stupid. Now you

nigga. You need to quit. Girl, you need to stop, before
you make me break a nail, then be both end up in jail.

(Chorus till end)

me
