Everybody's free to feel good

Everybody's free to feel good

Everybody's free

Brother and sister together we'll make it through

Some day a spirit will lift you and take you down

I know you've been hurting

But I'll be the one to be there for you

And I'll be there just helping you out whenever I can

Everybody's free to feel good

Everybody's free to feel good

We all are a family that should be together as one

Helping each other instead of wasting time

Now is the moment to reach out to say to you

When everyone is sharing the hope then love will win

Cause

Everybody's free to feel good

Everybody's free to feel good

Everybody's free to feel good

Everybody's free to feel good

Everybody's free to feel good

Everybody's free to feel good

Everybody's free to feel good

(Repeat and fade)
