Diamond:

I'm about to stomp this motherfucker for ever  
mentioning my name  
So by the end of this sixteen you know exactly where I  
came.  
I'm the chick that (?) spread that lead up in your brain.  
I'm that bitch that takes your shit screaming money  
ain't a thing.  
Swing purse, ask questions later. Duck and then I blast.  
Ain't no reason to think (?) Make that look and you'll get  
bashed  
Talking shit then you'll get trashed. Put your head  
across the grass  
Throw your body in a bag.  
I get mad, but I don't trip when he's mouthing at lip.  
He say, she say, I say we spray have you hoes up off  
my dick.  
Don't get pissed 'cause I'm the shit and baby daddy's  
want to pick a chick like me that don't exist and in your  
life they call it quits.  
Making hits is my mind and body, sorry that's just what  
I do.  
Let it loose up in the booth, I'm the motherfucking truth.  
Bringing meaning to the youth, I'm the one they listen  
to.  
Without a further a do, Bitch I'm Diamond I told you.

Chorus:

Who said this chick can't be gansta? Who said this  
chick can't be gutter?  
Shit, in the club popping bottles you don't worry about  
me.  
Who said this chick can't be gansta? Who said this  
chick can't be gutter?  
Cause I'm the hood, motherfucker you don't worry  
about me.  
Who said this chick can't be gansta? Who said this  
chick can't be gutter?  
Shit, in the club popping bottles you don't worry about  
me.  
Who said this chick can't be gansta? Who said this

chick can't be gutter?  
Cause I'm the hood, motherfucker you don't worry  
about me.
