La, la, la, la, La, la, la, la  
La, la, la, la, La, la, la, la  
La, la, la, la, La, la, la, la  
La, la, la, la, Yeah.

May 20, it was 1998 I came busting out that coochie  
around a quarter to eight  
And only heard people say that they knew a star was  
born  
'Cause the doctor told my mama that they put me in a  
room  
So on onto to the world full of anguish and ambition  
A mission to keep on pissing on any bitches that  
snitching  
I yearned for something different, I just ended being  
liked  
In school I stayed in trouble always snitching for a fight  
So then I grabbed the mic and started mobing on these  
hoes  
Sticked with Princess B and M-O-B and then we hit the  
road  
Worked from boat shows in the week to folk shows in  
the day  
so hey, what can I say? It just happened that way.  
I know I got to thank the Lord, it's a beautiful thing  
I'm worldwide, full of fame, and my money is the same  
Yeah, the top is where I came, ain't no reason to  
complain  
And every time I think about it, it just make me wanna  
sing

La, la, la, la, La, la, la, la  
And I'm like (La, la, la, la, La, la, la, la)  
'Cause I'm like (La, la, la, la, La, la, la, la)  
And I'm like (La, la, la, la, La, la, la, la)  
'Cause I'm like (La, la, la, la, La, la, la, la)

Hey, It's a beautiful thing.

I was 3rd year 2004. My album hit the stores so I ain't  
had no other choice

I let the world hear my voice and they was lettings take  
its course  
Once the streets had lit the torch, they kept it real, ain't  
fuck with us.  
So I have it all I had, spitting bullets rhyme for rhyme.  
Started shinning for the grinding, claiming what I knew  
was mine.  
Kept it good at being me. Bitches started feeling me.  
Said I was the answer they were seeking and had been  
waiting on me.  
Kept the "I" in inspiration to hand these chicks some  
motivation.  
I'm just hoping that they love me and show me some  
dedication  
20 percent may not like me, the other 80 they gon love  
me.  
And the median is all jealous, but only God can fucking  
judge me.

See I'm on this earth with my blazer and my purse, you  
feel me?  
To hand these chicks some motivation you know what  
I'm talking about?  
I'm going to do me, always. Believe that shit.

La, la, la, la, La, la, la, la  
And I'm like (La, la, la, la, La, la, la, la)  
'Cause I'm like (La, la, la, la, La, la, la, la)  
And I'm like (La, la, la, la, La, la, la, la)  
'Cause I'm like (La, la, la, la, La, la, la, la)

Hey, It's a beautiful thing.
