Nfl, Nba can you say check,
all the boys wanna feel, can you say wet
look at my eyes, my thighs, my hips
now tell me what taste when you kiss your man lips
Nfl, Nba can you say check,

Hold on hoe, hold on, hold on, hold on hoe
Hair weave killer leaving pony tails on the floor
I fuck 2 bitches with the same condom on
Two chains looking like I got a condo on
Motivation for the streets I got em g'ing up

Plus I got that shit for cheap I got em re-ing up

Baby you g ... what I make you for my clientele
Bitches winter time I got firewood for sale
Put it in your fireplace and get the shit cracking
Shwaty wet, somebody go get a napkin
That's a bet, I'm rolling blunts while I'm zig zagging
Ladies know i take da pussy and i kidnap it.

Nfl, Nba can you say check,
all the boys wanna feel feel, can you say wet
look at my eyes, my thighs, my hips
now tell me what taste when you kiss your man lips
Nfl, Nba can you say check,
all the boys wanna feel feel, can you say wet
look at my eyes, my thighs, my hips
now tell me what taste when you kiss your man lips

Verse two, 32, bad bitch, what it do? Sad bitch, but I'm
living lavish,
holler about my ...cabbage, earrings full of carrots
bitch just stop the madness, balling like the magic
All in one swipe got a pocket full of plastic
This shit is drastic, stunting is a habit
You do it small, but I do it so Jurassic
In the park, a valet car parked, no key in the ignition so
it's automatic start, let go
Yellow Camaro, I call dat bitch bark, while you naggin
bitches gotta crawl before you walk

Nfl, Nba can you say check,
all the boys wanna feel feel, can you say wet
look at my eyes, my thighs, my hips
now tell me what taste when you kiss your man lips
Nfl, Nba can you say check,
all the boys wanna feel feel, can you say wet
look at my eyes, my thighs, my hips
now tell me what taste when you kiss your man lips
