Just wave your hands from side to side  
Cause it's time to slip and slide

Can you feel the beating drum  
Get up and party - par-r-ty

Coming up strong I got to let you know  
How the beat come to twist and shake let up and go

To shake your body up and down and around  
So get up and flow Joe I just can't wait  
I got to show you one time for your mind

Everybody say yo - (yo) Sa yo - (yo)  
Just clap your hands and stomp your feet  
And listen to the boogie coming from the street  
Say yo - (yo) Everybody say yo - (yo)  
Just wave your hands from side to side  
Cause it's time to slip and slide

\*\*Repeat
