Christian Dior, red bottles up
Valentinos, they be fresh out of Vogue
Shoe game crazy, shoe game crazy
Shoe game crazy, my shoe game crazy

Everywhere I go I'm looking like a shoe model
Everywhere I go I'm looking like a shoe model
Everywhere I go I'm looking like a shoe model
Everywhere I go my shoe game crazy

My shoe game crazy, ATL raised me
I've got a shoe fetish, man somebody ought to save me
When I'm in New York, I'm in Dior
Red bottles in Japan, Jimmy Chu's when I'm in France

Everywhere I go I'm looking like a shoe model
Everywhere I go im shaped like a coke bottles
Everywhere I go the chicks hate, the boys follow
That's the motto, I'm stuntin' like there's no tomorrow

Here's an idea, a yellow bow hottie
Valentine on my body, shoes by Versace
I'm feeling naughty, get a drink on me papi
My shoe game crazy, better ask somebody bout me

Christian Dior, red bottles up
Valentinos, they be fresh out of Vogue
Shoe game crazy, shoe game crazy
Shoe game crazy, my shoe game crazy

Everywhere I go I'm looking like a shoe model
Everywhere I go I'm looking like a shoe model
Everywhere I go I'm looking like a shoe model
Everywhere I go my shoe game crazy

Emilio Pucci, shoes say Gucci
Got a slim waist with a big ole bootie
At times I hear the scene, you know I make a movie
Catch me eatin' popcorn while I'm chillin' in Jacuzzi
He wanna do me, attitude snootie
Louie handbag, Louie tags on the coochie
Giuseppe's got me Guggi, feeling brand new

Just got the new Chanelle slippers - size 7, sky blue

Everywhere I go I'm looking like a shoe model
Everywhere I go we pourin' out gold bottles
Everywhere I go the chicks hate, the boys follow
That's the motto, I'm stuntin' like there's no tomorrow

Christian Dior, red bottles up
Valentinos, they be fresh out of Vogue
Shoe game crazy, shoe game crazy
Shoe game crazy, my shoe game crazy

Everywhere I go I'm looking like a shoe model
Everywhere I go I'm looking like a shoe model
Everywhere I go I'm looking like a shoe model
Everywhere I go my shoe game crazy

I feel so sexy
Shoe game is crazy
You can't fuck with me
For my Giuseppe is an IT

Wanna walk in my shoes?
I make all the boys drool
A bad girl never lose
You can't walk in my shoes

I feel so sexy
Shoe game is crazy
You can't fuck with me
For my Giuseppe is an IT

Wanna walk in my shoes?

Christian Dior, red bottles up
Valentinos, they be fresh out of Vogue
Shoe game crazy, shoe game crazy (You can't walk in
my shoes)
Shoe game crazy, my shoe game crazy
