Ok y'all, this is it now bust it  
The mic will sing soon as I touch it  
Do this smooth and easy-like  
So we might get hyped in here tonight  
Be nice, relax. MCs further back  
If you ain't with that  
I'm-a have to attack you with a bad rap  
That can smack the smile off your face, Jack  
So don't start no crap.  
Givin' a little bit of heart and soul  
As we do it to you in your ear hole.  
Huh! I ain't goin' out like a sucker  
And if you think so, boy then pucker up  
And kiss the butt of this lyricist  
Blow on the mic, word up  
This groove is set to soothe move you  
Party people now it's time to.

Chorus:

That's Boogie Boogie  
That's Boogie Wonderland  
Ha Boogie  
That's Boogie Boogie  
That's Boogie Wonderland  
Ha Boogie

Salty, that's me trippin' on MCs  
I'm not gonna waste your time on the strength  
I'll be def, dumb, dope, completely phenomenal  
You didn't know, yeah, right, come on now.  
Oh, I'm supposed to believe EMCEEs are glad Salt is  
makin' Gs  
Save that crap, I got my public to rap to  
Tried to play me out I oughta slap you, punk  
For being disrespectful  
I grip the microphone like a pitbull terrier  
Yes, right, but I'm scarier  
Under a ton of rhymes I'll bury ya  
Hyped like a poet on the mic I'll show it  
Do-re-mi-fa-so-la-ti-do it  
Jazz, rhythm, blues, soul, even hip hop, rock & roll.

(Chorus)

All my brothers and sisters  
All in all over ten billion listeners  
Lend me your ear when you want to hear  
The hypest and ripest sound of the year

(Chorus)
