I gotta see you moving fast, see you come my way  
See the dreams, I hope they last, never fade away  
Gotta see the lights above, make it loud tonight  
Gotta set it all on fire, set it all alight  
I can see the flashing lights, hear the thunder roll  
I am gonna set you alight  
Gotta make it man, I ain't got no choice  
Gotta fill this hall tonight  
Helpless, Helpless, Helpless, Helpless  
Helpless, Helpless, Helpless, Helpless  
I don't know what I'm gonna do, maybe not tonight,  
yeah  
Gotta set you all afire, gotta treat you right  
I can see the flashing lights, lazer for your love  
Gotta hear the thunder roar, coming from above  
See the flashing lights, hear the thunder roar  
I am gonna set you all alight  
Gotta make it man, I ain't got no choice  
Gotta fill this hall tonight  
Helpless, Helpless, Helpless, Helpless  
Helpless, Helpless, Helpless, Helpless  
I can see the stars, I can see what's going on  
Every night alone, I sing my songs just for fun  
Only time will tell if I make it myself someday  
The stage is mine, music is my destiny  
Cannot squeeze the life from me  
I can see the stars, I can see what's going on  
Every night alone, I sing my songs just for fun  
This business ain't for laughs, business men don't like  
it so  
Helpless maybe babe, but you can still enjoy the show  
Cannot squeeze the life from me  
Gotta be good, see you tonight  
I know that was fine  
Gotta be safe, gotta be true  
You know that you're mine  
Help me now, I'm coming home, ohh  
Gotta be fine, gotta be right  
You'll set me alight  
Help me now, I'm coming home  
I can see the band from miles away  
Looks so right, feels so tight, oohh

Feels so fine, feels so good. oohh  
Makes a man a whole man  
Lord it's gonna make my day  
Helpless, helpless, oohh  
Helpless, helpless, oohh
