Sacrifice, holy rites, secrecy and alter wine  
Black candles burning low to the meetings agains they  
go  
Picard can't wait to take away another soul  
Oh it's a shame, Picard was so insane

In the year of 1642, it came to an end  
In 1642, imprisonment

Sacrifice, holy rites, secrecy and alter wine  
Black death come this way, Father Picard will soon be  
going  
He's ill, so sick, now his meetings are forever over  
Oh it's a shame, they went along with his game

In the year of 1642, it came to an end  
In 1642, imprisonment  
Guitar solo ANDY  
Sacrifice, holy rites, secrecy and alter wine  
The nuns can't take her blame  
One after one they suffer a breakdown  
Confession, confession, they confess to diabolic  
possession  
Oh it's shame, even Madeleine has gone insane

In the year of 1642, Madeline was leaving hell in 1642,  
she  
found freedom in her prison cell
