She's Wearing White Again But Colours Always Betray
Don't Look Into Her Eyes, There's An Evil Darkness
Inside

Theme: Mike

You Might See Her But She Is Not Here
Leave Her Alone Don't Get To Near
One Touch And You'll Disappear
What A Scream You'll Never Hear

She Carries A Secret
And Where She Must Go...You'll Never Know
Solo: Mike

She Carries A Secret
And Where She Must Go...You'll Never Know
Solo: Andy - Theme: Mike

Searching But Not For A Home
A Restless Soul All On Its Own
Always Dressed In White
As She Passes On Through The Night

She Carries A Secret
And Where She Must Go...You'll Never Know
Solo: Mike - Andy - Mike - Andy - Mike
She Carries A Secret
And Where She Must Go...You'll Never Know
