Music and lyrics by King Diamond)

It was in the local paper : ã,³We will cure you every
phobia

At Devil Lake Sanitarium

We will make you feel youã,¹re right at homeã,²

No more sleepless nights, no more unpleasant sights

We can recreate paradise

And you donã,¹t even have to sacrifice a thing

It only took about a minuteã,¹s time

For poor old Harry to make up his mind

So he headed for Devil Lake, knowing doctors

were awaiting him

No more sleepless nights, no more unpleasant sights

We can recreate paradise

And you donã,¹t even have to sacrifice a thing

Solos : La Rocque - Simonsen

HARRY : ã,³... My name is Harry and I am from the
country side

Iã,¹m looking for a doctor, Eastmann is the nameã,²

Dr. EASTMANN : ã,³We welcome you with open arms

Weã,¹ve all been looking forward to having you here

At Devil Lake Sanitarium

You must always sign a special paper first

HARRY : I will sign anything, just to get rid of my fears

I just want to live a life, where do you want me to sign ?

Dr. EASTMANN : Right here on the dotted line

This will give me all the freedom I need for you

At Devil Lake Sanitarium

You know we are the very best at what we do... Oh Yes !

Solo : La Rocque

Now that we have got his signature

I think it's time to start the Eastmann cure

So put him in the straight

I think room 17 is still our whitest room

No more sleepless nights, no more unpleasant sights

We can recreate paradise

And you don't even have to sacrifice a thing
