Oh It's Halloween
Every Night To Me Is Halloween
Like An Ancient Scene
You Know Just What I Mean

Halloween You Are My Pride
Halloween Not Just A Dream

The Moon Is Full, Another Perfect Day Has Began
Like A Demon's Eye, That Devil's Eye
Will We Ever Die

Solo: Mike

Halloween You Are My Pride
Halloween Not Just A Dream

Solo: Andy

Every Night Will Be Another Evil Scene
Like In Horror Dreams I Want
I Command You To Scream

Halloween You Are My Pride
Halloween Not Just A Dream

Halloween...Halloween...
