Music by La Rocque / Lyrics by Diamond)

At midnight, an hour from now... they're gonna flick
the switch

Down the Hall, beyond the iron door... they're gonna
end my life

I will see you all in Hell, isn't that where we all must go
?

I will not, tell you what I did... It doesn't matter now

I will tell, how weird it is, to know exactly when you're
gonna go

I am a killer... I'm gonna get what I deserve

I am a killer, they're gonna fry my each and every
nerve

It is not, the soul I sell, it's not the pain from hell

It is not, the feel of dying, of that I was never afraid

I will see you all in Hell, isn't that where we all must go
?

Gazing at the iron door, while time is slipping away

What's really driving me insane

Is what to do with my final hour

I am a killer ... I'm gonna get what I deserve

I am a killer, They're gonna fry my each and every
nerve

I've got less than an hour to kill

Iâ1m looking back at the life Iâ1ve had to live

What a waste ... what a mess...

I should have never been born ...

Solo : Simonsen

I hear them, coming down the hall, I know theyâ1re
coming for me

I donâ1t need that silly Priest, Oh just get on with the
show

I am a killer ... Iâ1m gonna get what I deserve

I am a killer, Theyâ1re gonna fry my each and every
nerve
