She's so kissable, huggable, loveable, unbelievable.
She's a mouth full of anything and everything a man
could want.
Yeah
She aint typical, she aint predictable, she's available.
It's a miracle
How my heart stumbled into someone so: kissable,
huggable, loveable, unbelievable.
Up to now my life has been so lonely, and boring, never
thought I could find someone so elegant, intelligent,
heaven sent, all my money spent.
I put a big down payment on that iddy bitty diamond
ring.
She's so beautiful, it's undisputable, it's undeniable,
she's gunna have a bawl, she's music to my ears and
makes my heart sing so, kissable, huggable, loveable,
unbelievable.
O that's nice.
There are so many things I want to tell her like I love
her, but every time talk I start to s.s.s.s.stutter.
She's so elegant, intelligent, heaven sent, all my
money spent, put a dig down payment on that iddy
bitty diamond ring.
She's so beautiful, it's undisputable, it's undeniable
she's
Gunna have a bawl, she's music to my ears and makes
my heart sing so:
Kissable, huggable, loveable, unbelievable.
Kissable, huggable, loveable, unbelievable
Kissable, huggable, loveable, unbelievable
