Wish I had a car, top rolled down, the music up loud  
Follow that girl all over town and see  
Norma Jean Riley's gonna notice me  
Wish I had a dog, seen her in the park with a puppy on  
a string  
Looking so cute maybe sooner or later we'd meet  
Norma Jean Riley's gonna talk to me

Everybody says fool, fool nothin' you can do  
Never gonna see her with the likes of you  
I say watch and see  
Norma Jean Riley's gonna notice me

Oughta learn to dance, with the hottest moves and the  
latest styles  
Get her on the dance floor and after awhile you'll see  
Norma Jean Riley's gonna dance with me

Everybody says fool, fool nothin' you can do  
Never gonna see her with the likes of you  
I say watch and see  
Norma Jean Riley's gonna notice me

Gonna write a song, sing about her hair, her lips and  
her eyes  
Bring her to tears with my heartfelt honesty  
Norma Jean Riley's gonna fall for me

Everybody says fool, fool nothin' you can do  
Never gonna see her with the likes of you  
I say watch and see  
Norma Jean Riley's gonna fall for me

Everybody says fool, fool nothin' you can do  
Never gonna see her with the likes of you  
I say watch and see  
Norma Jean Riley's gonna marry me
