I cannot sleep at night  
That's what the day is for anyway

And as the clock strikes midnight  
I hear "THEM" dancing at the graves  
singing to My mind  
killing the pain... sleepless nights... sleepless nights

I cannot sleep at night  
That's what the day is for anyway

And as the clock strikes midnight  
only "THEY" can let us meet  
even though she's dead now  
I gotta see her again... sleepless nights... sleepless  
nights

Guitar solo ANDY, Guitar solo PETE

I cannot sleep at night  
I will do anything to see Missy again

"Then let us make You an eternal deal  
You will attend to the graves  
You'll give us the house back and keep in mind  
that we only come here at night".

So we made the deal under the starry night and  
"AMON" belongs to "THEM" now...  
I feel the dawn coming My way

And as the sun breaks up the dark  
I can't hear "THEM" dance no more  
There's no voices  
Killing the pain... pain... pain
