On the following friday as I turned out the light  
Grandma' came and knocked at My door  
"Wake up King, wake up My dear  
I am gonna show You about the house of Amon"

It is time for tea, it is time again

"Even Your mother is present  
We made her sleep in My rocking chair"  
At first I felt really scared but there was no reason to  
As I saw the knife sneaking out from  
Grandmother's dress  
Then it cut a tiny wound in My mother's little hand

It is time for tea, it is time again

Guitar solo: Pete

Blood was running into the tea pot, then I heard  
"THEM" laugh  
"A bit of this in a cup of tea, is what it takes to set  
"THEM" free  
You will hear "THEM" telling stories from far beyond  
this earth"  
What I saw and what I heard made me want to stay and  
learn

I really hope this dream will never end,  
it's hard to describe the kind of  
feeling that went on in My mind  
A paradise

Guitar solo: Pete, Guitar solo: Andy

Hearing "THEIR" stories and feeling "THEIR" warmth  
We laughed with tears in our eyes  
From the first cup of tea, to the last drop of blood  
Nothing seemed to matter at all anymore  
My Mother? She didn't exist to me,  
Oh I felt so heavenly

It is time for tea, it is time again
