Late that night I awoke from My sleep  
Hearing unknown voices laughing insane  
Grandma' was one, Oh it's coming from the room next  
to mine

It's Grandma' room... the invisible guests

Guitar solo: Pete

As I stood there alone in the dark  
Peeking through the keyhole, couldn't believe My eyes  
I'd never seen anything like it, only  
Grandma' was inside the room

Speaking to no one... the invisible guests

Cups were rising in thin air and then emptied on the  
floor  
Suddenly the door was open and  
Grandma' said  
"Do come in My little friend"

Guitar solo: Pete

Missy and Mother were sleeping downstairs  
If they could see me in Grandmother's chair

Guitar solo: Andy

Grandmother said "look Me deep in the eyes  
You will forget what You saw here tonight"

"I will let You in on the secret of this house  
The secret of Amon... that's what we call this house  
Now I want you to go back to sleep,  
now go back to sleep My dear"

The invisible guests

Guitar solo: Andy, Guitar solo: Pete, Guitar solo: Andy,  
Guitar solo: Pete

Cups were rising in thin air and then emptied on the  
floor  
Suddenly the door was open and  
Grandma' said  
"Now you must go back to sleep"

"Go to sleep"... "Go to sleep" ...  
"Go to sleep"...

Missy and Mother were sleeping downstairs  
If they could see me in Grandmother's chair
