"My Mother Was Obsessed By Evil Jealousy  
She Didn't Want Nobody To Even Look At Molly  
She Kept Me Locked Up In This Attic 'Till I Died  
Only 4 Years Old, My Story Left Untold"  
Oh Molly...Oh Molly

"Mother Was Struck By This Infallible Idea  
If She Could Paint My Portrait I Would Remain Immortal  
And I Could Hang Downstairs Above The Fireplace  
A Little Girl In Lace, Not A Single Trace Of Crime"  
Solo: Andy  
"Each day And Night She Worked And Autumn Turned  
To Spring  
For Every Stroke She Painted A Little Life Was Ended  
At Last I Felt So Weak I Could Not Even Speak  
But In That Fatal Portrait My Spirit Came To Lfe Again"

Oh Molly  
Solo: Mike - Theme: Mike  
"That Night I Made The Portrait Speak In Evil Tongue:  
You're Gonna Go Beyond Too, May Pain And Death  
Bestow You  
She Grabbed A Book And Spoke Aloud An Ancient  
Rhyme  
While She Burned The Portrait In The Candle Of Fate"  
Oh Molly

"I've Gotta Se Ma"
