Comes a rainstorm, get your rubbers on your feet
Comes a snowstorm, you can get a little heat
Comes love, nothing can be done.

Comes a fire, then you know just what to do
Blow a tire, you can buy another sure
Comes love, nothing can be done.

Don't try hiding cause there isn't any
use
You start sliding when your heart turns on the juice

Comes a headache, you can lose it in a day
Comes a toothache, see your dentist right away
Comes love, nothing can be done.

Comes a heat wave, you can hurry to the shore
Comes the summer, you can hide behind the door
Comes love, nothing can be done.

Comes the measles, you can quarantine the room
Comes a mousy, you can chase it with the broom
Comes love, nothing can be done.

That's all brother, if you've ever been
in love
That's all, brother, you know what I'm
speaking of

Comes a nightmare, you can always stay awake
Comes depression, you may get another break
Comes love, nothing can be done.

Comes a mousy, you can chase it with the broom
Comes love, nothing can be done.

That's all brother, if you've ever been
in love
That's all, brother, you know what I'm
speaking of

Comes a nightmare, you can always stay awake

Comes depression, you may get another break
Comes love, nothing can be done.
