Do nothin' till you hear from me  
Pay no attention to what's said  
Why people tear the seam of anyone's dream  
Is over my head

Do nothin' till you hear from me  
At least consider our romance  
If you should take the word of others you've heard  
I haven't a chance

True, I've been seen with someone new  
But does that mean that I'm untrue?  
When we're apart, the words in my heart  
Reveal how I feel about you

Some kiss may cloud my memory  
And other arms may hold a thrill  
But don't do nothin' till you hear it from me  
And you never will

True, I've been seen with someone new  
But does that mean that I'm untrue?  
When we're apart, the words in my heart  
Reveal how I feel about you

Some kiss may cloud my memory  
And other arms may hold a thrill  
But don't do nothin' till you hear it from me  
And you never will

Do nothin'  
Do nothin'
