Don't worry 'bout me
I'll get along
Just you forget about me
Be happy my love

Just say that our little show is over
And so the story ends
Why not call it a day, the sensible way
And we'll remain friends

Look out for yourself
Should be the rule
Just give your heart and your love
To whom ever you love
Don't you be a fool

Baby why stop and cling
To some fading thing
That used to be
So if you can't forget
Don't you worry 'bout me
