Your sweet expression
The smile you gave me
The way you looked when we met
It's easy to remember
But so hard to forget

I hear your whisper
I'll always love you
And though it brings me regret
It's easy to remember
But so hard to forget

So I must dream
To have your hands caress me
Fingers press me tight, I'd rather dream
Than have that lonely feelin'
Stealin' through the night

Each little moment
Is clear before me
I know it's over and yet
It's easy to remember
But so hard to forget

So I must dream
To have your hands caress me
Fingers press me tight, I'd rather dream
Than have this lonely feelin'
Stealin' through the night

Each little moment
Is clear before me
I know it's over and yet
It's easy to remember
But so hard to forget
