Irving Berlin

'Cause he ain't got rhythm  
Every night he sits in the house alone  
He ain't got rhythm  
Every night he s@ts there are wears a frown  
He attracted some attention  
When he found the fourth dimension  
But he ain't got rhythm  
So no one's with him  
The loneliest man in town

Oh! lonely man is he

Bending over his books  
His wife and family  
Keep giving him dirty looks  
'Cause he ain't got rhythm  
When they call him up  
It's to call him down  
With that daring aviator  
He encircled the equator  
But he ain't got rhythm  
So no one's with him  
Loneliest man in town
