Never had nothing
No one to care
That's why I seem to have
More than my share
I've got a man crazy for me
He's funny that way

When I hurt his feelings
Once in a while
His only answer is one little smile
I've got that man crazy for me
He's funny that way

I can see no other way
And no better plan
End it all and let him go
To some better gal
But I'm only human
A coward at best
I'm more than certain
He'd follow me West
I've got that man crazy for me
He's funny that way

Though he loves to work
And slave for me everyday
He'd be so much better off
If I went away
But why should I leave him
Why should I go
He'd be unhappy without me I know
I've got that man crazy for me
He's funny that way
