Your eyes so blue
Your kisses too
I never knew what they could do
I can't believe you're in love with me

You're telling everyone I know
I'm on your mind each place you go
They can't believe that you're in love with me
I have always placed you far above me
I just can't image that you love me
And after all is said and done
To think that I'm the lucky one
I can't believe you're in love with me
