You've got me on the go  
Runnin' to and fro  
Lookin' high and low  
I don't know if I'm coming or going  
Since I fell for you

I run up about the town  
Chasing up and down  
Haggin' you around  
I don't know if I'm coming or going  
Since I fell for you

Your so busy  
keeping up with all your love affairs  
I'm so dizzy  
I've got trouble, I'm seeing double

Just as when I think your through  
chasing as you do  
you find someone new  
I don't know if I'm coming or going  
since I fell for you

When I found you  
I found heaven right before my door  
since I lost you  
I've got trouble, I'm seeing double

Why did you let me fly  
way up to the sky  
just to say goodbye  
I don't know if I'm coming or going  
since I fell for you
