I need your love so badly, I love you, oh, so madly
But I don't stand a ghost of a chance with you
I thought, at last I found you but other loves surround
you
And I don't stand a ghost of a chance with you

If you'd surrender just for a tender kiss or two
You might discover that I'm the lover meant for you
and I'll be true
But what's the good of scheming, I know, I must be
dreaming
For I don't stand a ghost of a chance with you

If you'd surrender just for a tender kiss or two
You might discover that I'm the lover meant for you
and I'll be true
But what's the good of scheming, I know, I must be
dreaming
For I don't stand a ghost of a chance with you
