Are the stars out tonight?
I don't know if it's cloudy or bright
?Cause I only have eyes for you

The moon may be high
Maybe, millions of people go by
But I only have eyes for you

I don't know if we're in a garden
Or on a crowded avenue
You are here, so am I

Maybe millions of people go by
But they all disappear from view
And I only have eyes for you

I don't know if we're in a garden
Or on a crowded avenue
You are here, so am I

Maybe millions of people go by
But they all disappear from view
And I only got eyes, big bulging eyes
Great big eyes for you
