I'm in a lowdown groove  
From carrying a torch for you  
Oh, what a lowdown groove  
Really don't know what to do

My heart has no sense of humor  
Dear, as far as you're concerned  
It's more than a winchell rumor  
This time I really got burned

I don't need a song to prove  
That I'm in such a lowdown groove

My heart has no sense of humor  
Dear, as far as you're concerned  
It's more than a winchell rumor  
This time I really got burned

I don't need a song to prove  
That I'm in such a lowdown groove
