The weather is frightening  
The thunder and lightning  
Seem to be having their way  
But as far as I'm concerned  
It's a lovely day

The turn in the weather  
Will keep us together  
So I can honestly say  
That as far as I'm concerned  
It's a lovely day and every thing's okay

Yes, isn't this a lovely day  
To be caught in the rain?  
You were going on your way  
Now you've got to remain

Yes, just as you were going  
Leaving me all at sea  
The clouds broke, they broke  
And, oh, what a break for me

Then now I can see the sun up high  
Though we're caught in the storm  
I can see where you and I  
Could be cozy and warm

Let the rain pitter patter  
But it really doesn't matter  
If the skies are gray  
Baby, long as I can be with you  
It's a lovely day

Isn't this a lovely day  
To be caught in the rain?  
You were going on your way  
Now you've got to remain

Just as you were going  
Leaving me all at sea  
The clouds broke, they broke  
And, oh, what a break for me

I can see the sun up high  
Though we're caught in the storm  
I can see where you and I  
Could be cozy and warm

Let the rain pitter patter  
But it really doesn't matter  
If the skies are gray  
Long as I can be with you  
It's a lovely day

I can see the sun up high  
Though we're caught in the storm  
(And we're caught in the storm)  
I can see where you and I  
Could be cozy and warm  
(Cozy and warm)

Let the rain pitter patter  
But it really doesn't matter  
If the skies are gray  
Long as I can be with you  
It's a lovely day

Long as I can be with you  
It's a lovely day
