One dark and stormy night  
Big John was feeling blue  
Things didn't seem right  
So he didn't know just what to do

I said do please tell me  
Ain't you satisfied?  
He looked around so pitiful  
And to me he replied

Keeps on raining  
Look how it's raining  
Daddy he can't make no time

Wind keeps blowing  
Cold wind's blowing  
Soon I'll find

In the winter time  
When it starts to snow  
I know, Billy  
You've got to have some dough

Keeps on raining  
Look how it's raining  
Daddy he can't make no time

Ain't the rain just beautiful  
Some people say  
But I'd rather see it  
In a fine movie place

Keeps on raining  
Look how it's raining  
Your daddy he can't make no time  
No daddy he can't make no time
