R. Walsh / Matty Malneck

Let's dream in the moonlight  
Tell me that you love me  
Tell the stars above me  
What's in you heart

Let's dream in the moonlight  
Say you're glad you found me  
Put your arms around me  
Before we part  
Even though it's just pretending  
And the night is almost through  
I can say I'm only lending  
When I give my heart to you

Let's dream in the moonlight  
Let your lips touch mine  
Though we're only dreaming tonight  
Tonight
