

Billie Holiday "One for My Baby"

It's quarter to three
There's no one in the place, except you and me
So set 'em' up Joe, I've got a little story, you oughta
know
We're drinking my friend to the end of a brief episode

Make it one for my baby
And one more for the road

I got the routine
So drop another nickel in the machine
I'm feeling so bad, I wish you'd make the music
dreamy and sad
I could tell you a lot but you've gotta be true to your
code

Make it one for my baby
And one more for the road

You'd never know it, but buddy I'm a kind of a poet
And I've got a lot of things to say
And when I'm gloomy, you simply gotta listen to mean
Until it's talked away

Well, that's how it goes
And Joe I know you're gettin' anxious to close
So thanks for the cheer, I hope you didn't mind, my
bending your ear
This torch that I found must be drowned or it soon
might explode

Make it one for my baby
And one more for the road

You'd never know it, but buddy I'm a kind of a poet
And I've got a lot of things to say
And when I'm gloomy, you simply got to listen to me
Until it's talked away

Well, that's how it goes
And Joe I know you're gettin' anxious to close
So thanks for the cheer, I hope you didn't mind my

bending your ear
This torch that I found must be drowned or it soon
might explode

Make it one for my baby
And one more for the road
That long, long road
