Come on fellas, one, two
Well, what are you trying to do?
Get on back to them drums, I'll start this band
One, two

One, two, button your shoe
Put on your coat and hat
I'll play a game like that
While I'm waiting for you

Three, four, open the door
Hurry for heaven's sake
I count each step you take
While I'm waiting for you

Five, six, my heart just fixed
As I picture all your charm
Seven, eight, you're at the gate
And you walk into my arms

Nine, ten, kiss me again
Tell me you get a thrill
Just as I hope you will
While I'm waiting for you

Five, six, my heart just fixed
As I picture all your charm
Seven, eight, you're at the gate
And you walk into my arms

Nine, ten, kiss me again
Tell me you get a thrill
Just as I hope you will
While I'm waiting for you
