Say it isn't so, say it isn't so
Everyone is saying you don't love me
Say it isn't so

Everywhere I go, everyone I know
Whispers that you're growing tired of me
Say it isn't so

People say that you found somebody new
And it won't be long before you leave me
Say it isn't true

Say that everything is still okay
That's all I want to know and what they're saying
Say it isn't so

Say it isn't so, say it isn't so
Everyone is saying you don't love me
Say it isn't so

Everywhere I go, everyone I know
Whispers that you're growing tired of me
Say it isn't so

People say that you found somebody new
And it won't be long before you leave me
Say it isn't true

Say that everything is still okay
That's all I want to know and what they're saying
Please, say it isn't so
