Somebody's on my mind  
Like an old sweet song, 'The Lasting Time'  
Somebody's on my mind  
So I'm walking on clouds on a silver line

To dream my dream could be my mistake  
But I'd rather be wrong  
And sleep right along than wake

Love may be blind, I'll take my chance  
That it cares this affairs, my real romance  
That's why you'll find, somebody's on my mind

To dream my dream could be my mistake  
But I'd rather be wrong  
And sleep right along than wake

Love may be blind, I'll take my chance  
That it cares this affairs, my real romance  
That's why you'll find, somebody's on my mind
