Music everywhere, feet are pattin'  
Puttin' tempo in old Manhattan  
Everybody is out high hattin'  
Spreadin' rhythm around

Everywhere you go trumpets are blarin'  
Drums and saxophones rip and tearin'  
Everybody you meet is rarin'  
Spreadin' rhythm around

Up in Harlem in every flat  
They give it that zing  
Which according to one and all  
Is what they call swing

Those who can't afford silk and satin  
Dance with gigolos who are Latin  
Come from Yonkers, the Bronx and Staten  
Spreadin' rhythm around
