Abner Silver / Al Sherman

Never dared to have your arms around me  
Not that I considered it a sin  
But tonight I want your arms around me  
It's the mood that I'm in  
Can it be the music that they're playin'  
Or the magic of the violin  
That intrigues my heart to obeyin'

It's the mood that I'm in  
Maybe it's the cocktail that I'm sippin'  
Tonight I'm so romantically inclined  
So speak to me of love  
In words so tender  
Let the rhapsody of life begin  
I could give my heart in sweet surrender  
It's the mood I'm in
