A cigarette that bares a lipstick's traces  
An airline ticket to romantic places  
Still my heart has wings  
These foolish things remind me of you.  
A tinkling piano in the next apartment  
Those stumblin'words  
That told you what my heart meant  
A fair ground painted swings

These foolish things remind me of you.

You came, you saw, you conquered me  
When you did that to me  
I knew somehow this had to be  
The winds of march that made my heart a dancer  
A telephone that rings but who's to answer  
Oh, how the ghost of you clings  
These foolish things remind me of you
