What is this going to get us?  
Where are we heading in?  
When do we start to live, dear?  
When do we really begin?

What is this going to get us?  
Hanging around 'til four  
Saying goodnight at daybreak  
Kissing goodbye in the doorway

We can't go on the way we've gone  
I'm at the end of my rope  
I can't live on love, I've so much of  
And I can't keep living on hope

What is this going to get us?  
Only an aching heart  
When is this going to get us?  
Together, never to part

We can't go on the way we've gone  
I'm at the end of my rope  
Gee, I can't live on love, I've so much of  
And I can't keep living on hope

What is this going to get us?  
Only an aching heart  
When is this going to get us?  
Together, never to part
